ABOUT ME

Motivated and smart-working IT undergraduate with internship experience in teamwork, documentation, and solution delivery. Skilled in Microsoft Office, including PowerPoint for presentations and Word for documentation. A great team player, fast learner, and analytical thinker with a constant desire to improve. Eager to apply technical knowledge and coordination skills to enhance IT support operations and gain valuable real-world experience.

LANGUAGES

- **English - Professional Level**
- **Sinhala - Native**

EXPERIENCE

UI/ UX Developer - Intern
SLT Mobitel, Head Office   2024 JUN -2024 DEC

- Created and maintained project documentation, including business requirements, system architecture, database management, and user manuals, ensuring alignment with stakeholder needs.
- Led the design and development of user-friendly UI/UX interfaces for 3 key projects improving usability and user satisfaction.
- Managed sprint-based task tracking using Agile methodology with Jira, ensuring efficient progress and on-time task delivery.
- Enhanced team collaboration by conducting presentations, mockup sessions, and knowledge transfer, improving onboarding and project alignment.
- Design and prototyped UI, wireframes, contributing to a consistent and intuitive user experience.
- Managed version control and code quality with GitHub and Bitbucket, improving code consistency and reducing errors.
- Developed responsive front-end components using Flutter, React, and Tailwind CSS for mobile and web platforms.
